BEECHCRAFT KING AIR & CESSNA C525

BEECHCRAFT KING AIR & CESSNA C525 WINTER ACADEMY 2020/2021

With winter just around the corner the days are getting shorter, but the sun never sets in the Star Wings C525 Level D Simulator! You are cordially invited to partake in one of the following C525 or King Air Series courses:

KING AIR RECURRENT TRAINING

The recurrent course includes 6 hours of theory on day 1 and 3 hours in the FNPT plus a maximum of 1,5 hours LPC on the aircraft on day 2.

Pricing starts at EUR 3.950 without tax

KING AIR LICENSE PROFICIENCY CHECK

The LPC for revalidation takes place on the King Air 200.

Pricing starts at EUR 1.950 without tax

Cessna 525 RECURRENT TRAINING

The recurrent course includes 6 hours of theory on day 1 and 3 hours in the Simulator plus a maximum of 1,5 hours LPC on the aircraft on day 2.

Pricing starts at EUR 3.950 without tax

Cessna 525 LICENSE PROFICIENCY CHECK

The LPC for revalidation takes place in the Simulator.

Pricing starts at EUR 1.950 without tax

C525 TYPE RATING

Our Multi-pilot Type Rating course consists of 30 hours of theory, 6 hours Mock-up, and 16 hours per pilot in the SIM.

**Book your course with or without the Base Training.
November 23, 2020, January 11, 2021 or February 1, 2021
With Base Training: EUR 15.500 without tax
Without Base Training: EUR 13.500 without tax**

Your booking is just a phone call at +49 231 927 773 0 or email to ato@star-wings.com away! As always, individually-planned courses are available. Don't forget, the CJ3 simulator also can be booked for Dry Lease.

We are looking forward to having you join us!

Best regards,

Jochen Popp, CEO

Kai Peppmeier, CFO
